

**Sponsor Seminar: Challenge Camp**

**Time: Sunday, 2/3, 10-11AM**

**Place: CLA 200**

Challenge Camp is celebrating its 39th year of offering summer enrichment learning opportunities for bright and curious children. We are dedicated to providing meaningful opportunities for children aged 4-15 to realize their intellectual and personal potential. Challenge Camp is an ACA accredited camp located on a picturesque campus in Hartsdale, New York. The Challenge Camp advantage is that parents and campers customize a program of selections based on the child's interests and the students follow their course selections for an entire session.

We offer over 100 courses ranging from 3D Printing, Chess, Coding, Cooking, DJ'ing, Drones, Escape Room, Fortnite, Magic, Makerspace, Minecraft, Model Rocketry, Robotics, Theater, Video Production, Virtual Reality and many options in between including our innovative thematic approach to Pre-Kindergarten learning with our Discover, Imagine and Create program. Our Afternoon Challenge includes enrichment and sports options as we encourage students to challenge both their mind and body. These include the continuation of our popular Swimming, Fencing, Hip-Hop, Ninja Warrior and Tae Kwon Do programs. We offer bus transportation and early drop-off /extended day options for families that require flexibility.

Our program is unique as there are multiple disciplinary options your children can experience throughout the day from STEM, Art, Theater, Music, Science, Sports and Technology.

Please visit [www.challengecamps.com](http://www.challengecamps.com) or call the camp office (914) 779-6024 to learn more about our innovative program.

2019 Session Dates - Session 1: June 27 - July 26 (4 Weeks), Session 2: July 29 - August 16 (3 Weeks)
