Position I'm seeking: Director of HXNYC Board

I am registering my candidacy for one of the open board positions in connection with the upcoming election. I have been an active school member since spring 2012. I understand and support the mission of HXNYC. I am also familiar with the school's programs and services.

If elected, I will focus on the long-term health and operation improvement of the school. I will foster good working relation with other teams, promote our Chinese school within the community and attend board meetings.

I believe that I have acquired the necessary experience and perspectives to help our school achieve its goals of being the premier Chinese school in our community.

Thank you for your support of my candidacy.
